

Pandemic Operations – Transportation/Nutrition/Facilities Committee

August 11 Agenda and Notes

Present: Charlie Gerke, Kendra Grove, Greg Harris, Frank Petrie, Teri Summers, Kris Curnes, Lori Lawton, Rachel Marone, Cliff Todd, Sandi Williams

1. Updates from Health and Safety Committee – Teachers will have central role in disinfecting desks between classes. H and S committee requested that Charlie and/or Frank send an email to certified staff outlining those expectations.
2. Updates from MSD SNS/USDA – Kendra has submitted waivers to ISDE for non-congregate feeding and parent guardian pick-up.
3. Updates from MSD Facilities – Frank expressed concerns about Virex being used in the classroom by non-custodial personnel due to potential for injury and is researching non-ammonium-based alternatives. Region 2 has received another allocation of hand sanitizer and masks through the SDE which Frank will pick up on 8.17 in Lewiston.
4. Updates from MSD Transportation – Greg is waiting for A/B groupings to be finalized and for more responses from families needing District bus services.
5. Recommendations/Status for this committee:
 - a. Face shields for bus drivers – can only be used during loading or unloading or securing students in seats. They are not allowed to be used while driving.
 - b. All students to be home screened except for special circumstances – need clarification on temperature cut off (100 or 100.4). Drivers cannot provide screening due to route time constraints.
 - c. All visitors to be fully screened.
 - d. Provide guidelines for best classroom ventilation – Frank is working on this.
 - e. Need to define circumstances that would allow us to add students to a bus – Charlie will follow up with Health and Safety Committee
6. Other/Next meeting – Next meeting will be held on 8.18.2020 at 1 p.m.
