3. Schedules for if/when we go to Category 3, full closure - Paula shared what her daily schedule is for her online only kindergarten class. We decided that the best course of action is to research and share the schedules at all 3 levels from other districts. We're going to email each other what we find and then discuss at our next meeting the pros/cons of them.
4. Next meeting - Wednesday, 9/23 at 3 p.m. via Zoom
