Update - Edits to current documents

- Submitted Mask
- HS Submitted
- Screening Document
 - Will add statement concerning the need to stay home if pending results from a COVID test.
 - Also add “required” to conduct health screening at home prior to coming to school.
 - Change statement, “additional screening may be conducted at school, including taking temperatures as needed.”

Have a current list specific to staff needs/concerns that need to be addressed

- Communication team working on a Q & A document
- Items being crossed off when communication is available

Sports & Activities

- Middle Level - Washington schools not participating
 - May have to just compete with Idaho league teams

Mask Breaks

- Mask breaks, what will these look like?
- Need a consistent message across buildings with masks
- May need flexibility with clear health guidelines to support this piece
 - Clarity comes from the H & S documentation

Student/Staff Illness Policy & Procedure Guidance

- Add for when a positive COVID case occurs
- Can be separated into different document
- Add - How to contact all families in differing scenarios
 - Should reach out to the Health Department concerning how to communicate to other families...
 - Certainly utilize School Messenger along with a proactive personal call tree to those directly exposed.
 - Need to be informative, yet retain privacy, etc.
 - Potentially determined case-by-case depending on exposure, etc.
 - Need to identify who the contact person is within each building.

Social Distancing Protocols

- Review new document, added to communication folder

Hygiene Documentation

- Review new document, added to communication folder

Cleaning Procedures

- Custodial procedures vs. daily cleaning (staff), etc.
 - Include air filter conversations
 - Include all that will be provided to classroom teachers.
- What are the roles and recommendations?
 - Will these match procedures being used at Gritman for specialty services
- Will schedule meeting with Charlie & Frank to create needed documentation
- Meeting will be Tuesday, August 11 at 10:00 am.

Attendance

- Encourage those to not attend when sick
- This needs to be a point of contact

Next H & S Meeting Wednesday, August 12 - 8:00 am
