

August 19 Agenda and Notes

Present: Charlie Gerke, Matt Mitchell, Mark Meier, Chad Busarow, Cerissa Harper, Ken Berger, Jessica Harper, Jennifer Lynn

No agenda was published for this meeting, but we discussed the following:

1. The time commitments for the hybrid and online options were posted on the MSD website today. Some schools are still working on their AA/BB groupings and will notify their families when those have been posted.
2. Canvas update – Mark and Katy are continuing to dive deeper into integration issue and will attempt another test sync today. They believe they that can authorize Canvas to migrate accounts into “production” if today’s test sync is successful. Additional Canvas training info cannot be accessed until the teacher log-ins are sent out.
3. Another recommendation was added to the list from last week: Add the Canvas “Studio” module to our annual Canvas contract.
4. The group discussed recommendation #9 from last week, and several members requested that the District mandate that all teachers use the same videoconferencing program, and that this should be either Teams or Zoom. Jess Harper will put together a comparison spreadsheet of these programs. Charlie said he will work with other District personnel to have that decision made prior to our next meeting.
5. School have been collecting addresses from families without internet service. An additional request for this information will placed in the lunches being handed out to try and reach those families who may not have seen the request. Addresses will be shared with ISP’s to see if they can improve service to those areas.

August 26 Agenda

1. Canvas update
2. Videoconferencing decision
3. Procurement updates
4. Other
