

September 9 Agenda and Notes

Present: Charlie Gerke, Matt Mitchell, Mark Meier, Chad Busarow, Cerissa Harper, Ken Berger, Jennifer Lynn, Jessica Harper

No agenda was published for this meeting, but we discussed the following:

1. Canvas/PS synch – We are still experiencing some problems with the synch between PS Gradebook and Canvas; Tech is working with Katy at the DO to resolve.
2. Tech/Admin weekly meeting – Tech crew will get a slot at each admin meeting as necessary to address concerns from this sub-committee and to hear concerns from admins. Tech sub-committee members were encouraged to make sure their administrators are aware of their tech-related concerns.
3. Parent perspective – Cerissa expressed her concern about the lack of communication from the District regarding the Canvas log-in process and the amount of actual instruction occurring during online teaching days. Jessica noted that MMS has developed a step by step process and identified one Canvas TTT as the “go to” person for parents having difficulty. She will share the MMS process with other buildings.
4. Chromebook issue – There seems to be an issue with some of the older Chromebooks in that they will not show multiple participants during Zoom sessions.
5. Teams Training – Teams training through the Microsoft innovate Educators (MIE) program has been set for 10.7.
6. Next meeting will be held on September 30 at 10 a.m. via Teams.
1. ber 21 via Teams.
